

Features:

- Five belt widths available
- Ovens are fully modular enabling the exact dryer length to be chosen to suit all curing requirements and be expanded at a later date.
- Optional gas flow indicator enables running costs to be shown
- Triple insulation with air curtain for the coolest exterior skin ever
- Air intake from both sides of oven giving the best heat distribution

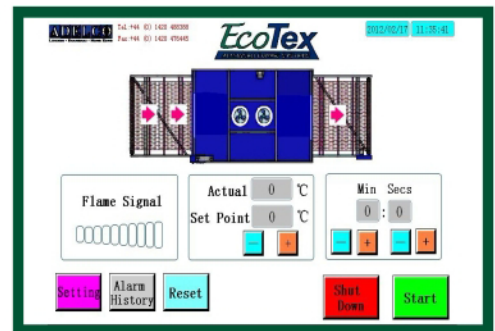

- Reduced energy consumption for the lowest running costs
- Integral exhaust connected from top of dryer with easily adjustable exhaust outlet valve
- Lint filter removable from either side of dryer (No replacement filters required)
- Removable end panels for easy cleaning access
